

CONFIRMATION

This is to confirm that

Monosi - Syskevasia S.A.

70th km. Athens - Lamia National Road
34100 Avlida - Evia
Greece

Scope:

Thermal insulation materials and systems, geofoam, seismic insulation, foundation systems, agricultural applications, packaging systems for manufacture and food products from expanded polystyrene EPS – air pop manufacturer.

has implemented and maintains the National and European Legislation for the

Good Production Practices and Control Plan for Construction Products (Thermal insulation EPS)

through an audit, documented in a comprehensive audit report, which verifies that the Quality System Control applied by the producer according to ISO 9001, fulfills the demands of a specialized check-list edited by DQS Hellas, on the basis of the outcome of the following assessments and verifications carried out::

- i) An assessment through sampling of the performance of the construction product, assessment of the calculation methods of the tabulated values or descriptive documentation of the product; ·
- ii) A thorough systematic inspection of the manufacturing plant, the preservation conditions applied on products, as well as the documentation of factory production control; ·
- iii) Continuing surveillance, assessment and evaluation of the production control of the factory, as well as the evaluation criteria of the critical suppliers
- iv) A verification of the legal compliance of the producer, regarding the products (compliance statements, product files, laboratory results etc.)

This confirmation is valid only in conjunction with the DQS certificate, Reg. no. 347633 QM15 and its validity ceases if the certificate 347633 QM15 is suspended or withdrawn.
